

Sasi Kumar K

Front End Developer

Seeking to work in a learning and challenging environment and a constant learner with the ability to adapt to new technologies, capable of providing valuable support while working in teams.

WORK EXPERIENCE

Front End Developer Intern

Coherent Pixel Systems

Sep 2024 - Feb 2025

- Developed a responsive task management web application using React.js and Material UI, improving user engagement by 20%.
- Collaborated with a team of 2 to integrate a RESTful API, ensuring seamless data flow between the frontend and backend.
- Integrated JWT-based login authentication, ensuring users cannot access admin pages.

PROJECTS

Smart Poultry Farm

Major Project, K. L. N. College of Engineering

Feb 2023

- Developed an IoT-based system that monitors and controls poultry farms in real-time. Enabled automatic and 100% remote monitoring can be accessed through a smart phone app from anywhere.
- Designed a low-cost IoT-based smart poultry management system to reduce 15-20% investment cost for small to medium- scale producers enhancing the welfare and health of birds.
- Integrated advanced sensor technologies for enhancing monitoring 100% inside the farm.
- Increased operational efficiency by 40% and reduced manual labor by 25% through automated processes.

Speed Bump Avoidance

Mini Project, K. L. N. College of Engineering

June 2022

- Engineered an innovative speed bump avoidance system using RF transmitters and receivers, enhancing road safety by effectively controlling vehicle speed reduced by 20-40%.
- Enforced maximum speed limits within designated ranges, resulting in a 25% decrease in traffic violations and contributing to a safer environment for motorists.
- Performed comprehensive testing to ensure system reliability.

SKILLS

Front-end

- Html
- CSS
- JavaScript
- React.js
- Bootstrap
- Material UI

Programming

- Java

EDUCATION

B. E – ECE	2019 – 2023
K.L.N. College of Engg	8.44 CGPA
Anna University	
HSC	2018 – 2019
St.Britto Hr. Sec. School	72 %
State Board	
SSLC	2016 – 2017
St.Britto Hr. Sec. School	87 %
State Board	

CERTIFICATIONS

- Completed the course on MICROSOFT POWER BI DATA ANALYST under Atos prayas foundation, Youth skilling& Employability initiative.
- Certified in SQL for both Beginners and Intermediate at Hacker Rank.

EXTRACURRICULAR

- Contributing 100% to open-source projects.
- Solving over 50+ algorithmic problems on platforms such as Leetcode and HackerRank.
